

# FastCLE

CTLA – Civil Justice Foundation Continuing Legal Education seminars help members stay current on the law and advance their practices with innovative, timely, and dynamic, hands-on programs. Taught by the best, our programs are widely considered to be the finest CLE in Connecticut. CTLA Members receive deep discounts on programs and materials!

We're proud to now offer our members flexible and convenient continuing legal education opportunities through [FastCLE.com](http://FastCLE.com).

Most programs are available in all media formats, DVDs, Audio CDs, Video CD-Rom and online delivery. All formats contain speaker contact information with each topic in case you have questions about the presentation or materials.

## Choose the Format That's Right For You!

### Online Streaming CLE

Online Streaming CLE programs are instantly accessible when you order through the CTLA FastCLE web site. Audio and video are delivered via Windows Media Player while supplemental materials are displayed in an easy-to-use learning interface. Materials can be downloaded or printed for your convenience and the video may be paused and viewed at your own pace. When purchasing streaming CLE programs, you have unlimited access to view and download content from that course for 30 days.

### Podcasts

CTLA podcasts are instantly accessible when your order through the CTLA FastCLE website. A podcast is a downloadable MP3 file. Podcasts can be streamed over the internet or downloaded to your computer and placed onto an MP3 player or burned to a CD. When you purchase a podcast you will also have access to the presenters' materials.

### Video CD-ROM

Video CD-ROM courses provide a similar experience to the online streaming programs with the added feature of not requiring an internet connection. CD-ROMs require a Windows PC and also deliver high quality video and electronic versions of all seminar materials. They may also be easily archived in your law library for future reference.

### DVD

CTLA-Civil Justice Foundation programs on DVD provides a format for comfortable at-home or in-office viewing of CLE programs. Seminar materials are provided on a supplemental CD-ROM so they may be viewed or printed on a PC alongside your video program.
